Pingið – The Thing
Events organized by teams aimed at socializing, networking and quenching our curiosity

Mentoring
Groups of participants have access to experienced mentors, for the total of 6 meetings, during the course

Idea market
Participants put their ideas to test, attracting other participants to work with them on bringing them to life

Mini Hackathon
A sprint-like event where participants come together to work on prearranged problems / topics

Team work
Participants work in groups on selected projects, three in total, during the course. Final presentations at the end of each month.
